

INTERNSHIP CERTIFICATE

This is to clarify that

SRIJAN TELANG

has successfully completed an internship as a **Full Stack Developer Intern** at **HotFoot AI** from **January 2025** to **June 2025**.

During this tenure, Srijan collaborated closely with the founding team to build intuitive user interfaces and improve overall user experience based on real-time feedback. He played a key role in integrating AI features into the frontend to enable personalized travel planning for users. Srijan also demonstrated strong ownership by leading the development of key frontend modules in a fast-paced startup environment.

We appreciate his contributions and wish him success in his future endeavors.
